

WASHINGTON WEST SUPERVISORY UNION

BUS SCHEDULE 2009-2010

The following bus schedule is preliminary and may be adjusted based on ridership when necessary. Please board the bus that covers the route or meet the bus at the designated pick-up points closest to your home. If you have any questions, please contact:

First Student (802) 244-6422

The time of departure from the bus stops may vary by five minutes. Students should be at the bus stop, ready to board the bus **at least five minutes prior to the expected arrival of the bus.** This will avoid unnecessary delays for the students further along on the route. Drivers and parents are requested to set their clocks with the WDEV radio time (5.50AM or 96.1FM). WDEV also performs an appreciated public service by announcing route delays that may occur.

Designated local pick-up points are as follows:

Bandstand and Warren Information Center in Warren
Fayston Elementary School
Irasville Country Store
Waitsfield Elementary School
Moretown Elementary School
Crossett Brook Middle School
Thatcher Brook Primary School
Blinking Light RT. 100 intersection with Laurel Lane
Rusty Parker Park
Park in Waterbury Center

KINDERGARTEN AND PRESCHOOL BUS TRANSPORTATION

Preschool and kindergarten students will only be released into the care of a parent or other authorized adult at a designated drop-off point. If the authorized adult is not present to receive the child, the child will be returned to the school, and the parent contacted to arrange transportation for the child. They Fayston School strongly discourages families from placing preschoolers on the bus. It is our belief that they are not yet developmentally prepared to adapt to the bus environment and can become anxious and frightened. In an effort to keep preschoolers feeling secure, please find transportation other than the bus. Thank you.

REGULATIONS REGARDING PERSONAL PROPERTY ON SCHOOL BUSES:

A student may only bring items that can be carried in a bag and held on the student's lap on the school bus; DOT regulations prohibit items in the aisle. Items that interfere with the personal space of other riders will not be allowed on the school buses. Items that cannot be brought to school on the bus include; skis, ski poles, snowboards, snowshoes, skateboards, ice skates, ice hockey bags, golf bags, and large musical instruments. Parents will need to arrange alternative transportation for these items.
